

# How to Self-Register for Schoolwires Website

Self-registering for our Schoolwires website allows you to subscribe to eAlert email messages from your teacher and to register online for events.

Self-registering is as easy as 1-2-3:

1. Go the district website [www.fcusd.org](http://www.fcusd.org)
2. Click on REGISTER
3. Complete the registration wizard

A screenshot of the registration form. It shows a navigation bar with "Home", "Our District", "Our Board", "Our Schools", "Departments", and "Stude". Below the navigation bar, there is a privacy notice: "We want this site to be compliant with federal law under the Children's Online Privacy Protection Act. Your birth date information is collected only to validate your age and is not stored." Below the notice, it says "Enter your birth date and click submit." There are three input fields for the birth date, with an example "04/05/1975" shown. A "Submit" button is at the bottom.

A valid birth date is required to register. Must be 13 years or older to register.

The birth date is not saved with the rest of your data.

Enter your first and last name, a valid email address, a user name and password. You may include other fields if you wish.
